Mr G W Thomas moved that the regulations be reprinted with the following alterations. Seconded by Mr F Gammon and carried.

Grants of grave spaces from 600 to 611 inclusive were signed at the meeting.

That the Clerk and Chairman may, when they think desirable, reduce the fee for placing any other tombstone or monument.

That the grave spaces next the paths shall be used only for purchased graves.

That no rails over kerbs shall be more than 16 inches in height from the top of the kerb and that a drawing showing design and measurement of the kerb and rail shall be submitted to and approved by the Clerk before it is erected.

That no brick or wood shall be permitted to be used in the Burial Ground on or over any grave above the surface of the ground.

That when an inscription is put on any kerb the same shall pay a fee for a headstone.

The land to be enclosed with a kerb not to exceed 3 feet 6 inches for a single grave nor more than 7 feet for two spaces so as to leave one foot between each enclosed space the land to be measured in any case from the centre of the plot.

The Clerk was instructed to inform Mr Wyatt that he has not complied with the wish of the Board expressed at the last meeting and to request that he may do so.

Mr Cooper's application to put up a wooden cross memorial was refused.

Mr R W Daniell proposed that a mortuary be built according to the plan and estimate produced by Mr G W Thomas. Seconded by Mr F Gammon and carried.
