Mr J Moore the usual Chairman being absent although he afterwards arrived on the Ground Mr M Dear was required to act in that capacity.

Mr H Morgan then moved that application having been made by Mr Thomas Halliday not to allow Mr Wyatt to put up a kerb stone round Mr Andrews' grave near to where Mr Henry Halliday was interred that a clear space of one foot be allowed between the two kerbs be kept otherwise he be not allowed round it and that the sum of 5s.5d be returned to Mr Andrews by the Board for the strips and that in future persons enclosing the land with a kerb be not allowed to enclose more than three feet one inches for a single space and no more than seven feet for two spaces.

Proposition: so as to leave a space of one foot between each enclosed space, the land to be measured in every case from the centre of the plot. Mr T P Mew seconded the motion which was duly carried.

It appearing that the paths in the cemetery were in a very bad state in places owing to their want of drainage it was resolved that the meeting to adjourn till Tuesday next at 3:30 pm to take into consideration the subject of drainage and the matters of the cemetery.
