Report of Committee
(appointed at meeting held on 3rd October 1898)

Mr S Lee (Chairman)

Mr Day

Mr G Fellows

The Committee recommends that the Regulations 5, 9 and 21 shall be altered as follows:

(5) No more than one body shall be buried in any vault or grave except in a vault or grave purchased for the exclusive use of the family and then only when the written sanction of the Board is first obtained.

(9) No grave or vault less than seven feet in depth from the surface will be allowed and none but brick graves or vaults are to be reopened until the written sanction of the Board is first obtained.

(21) The land to be enclosed with a kerb not to exceed 3 feet 6 inches for a single grave space nor more than seven feet for two spaces, so as to leave one foot between each enclosed space; the land to be measured in every case from the centre of the plot – the kerb in all cases to run with the level of the land.

The Committee also suggest that the fee for a coffin-shaped tomb over a grave shall be increased to £1-1s-0d and that the fee for interment of a non-parishioner shall be double the ordinary fee.
