For the location and orientation of this Plot, please use the [Plot Location map](#) link

This [Detailed Plot map](#) is not drawn to scale and is for **guidance purposes only; E&OE**

The map shows the Surname(s) of the **first**, **second** and **third** persons interred in a grave space in date order; some grave spaces have persons with more than three Surnames interred; in these cases any fourth (and subsequent) Surnames are not shown

indicates there is a **stonework** with a legible name

indicates there is a **stonework** but no name is decipherable

indicates there is no evidence of any headstone nor stonework

indicates that more research is required

Graves/Vaults with clear stone borders on the surface are indicated thus:
